Continuation In Part Application

Assistant Commissioner for Patents
Washington, District of Columbia 20231

In response to the Office Letter mailed July 16, 2001, a copy of which is attached, I have enclosed new papers as instructed. They include:

- New Specifications and Claims (39 pages) and Drawings (4 pages).
- New Information Disclosure Statement by Applicant (2 pages) with copies of all patents and articles referenced therein.
- New Supplemental Declaration - signed and dated 8/13/01
- New Small Entity Declaration - signed and dated 8/13/01

If I have omitted anything please let me know and I will correct the deficiency as soon as possible.

Conditional Request For Constructive Assistance

Applicant has amended the claims of this application so that they define novel structure which is also unobvious. If, for any reason this application is not believed to be in full condition for allowance, applicant respectfully requests the constructive assistance and suggestions of the Examiner pursuant to M.P.E.P. 706.03(d) and 707.07(j) in order that the undersigned can place this application in allowable condition as soon as possible and without the need for further proceedings.

Very respectfully,

Mark Zamoyski
Applicant Pro Se
